Please answer the following questions and submit a completed request for citation approval via email to hhum@umd.edu before beginning your internship experience. Based on your form, you will be assigned one of two assignments:

- 1) A final arts or humanities project created during the internship*
- 2) A 7-10 page paper that blends independent research and personal experience to answer the prompt, "How are the arts and/or humanities practiced in your chosen industry? How did your internship affect your understanding of the arts and/or humanities? Please offer at least three different specific examples in your response."*

- 1) Where will you intern?
- 2) What is your job description?
- 3) When will you intern (which semester)?
- 4) What is your time commitment (hours and weeks)?
- 5) How will you earn credit for this internship (for example, you can sign up for HHUM328)? If you are earning credit for the internship as part of a specific course for which there is a final project, please describe the final project.
- 6) Please submit a link to an official description of the internship (if applicable).
- 7) Please explain how this internship offers you the opportunity to practice the arts and/or humanities.
