*Please answer the following questions and submit a completed request for citation approval via email to [hhum@umd.edu](mailto:hhum@umd.edu) before beginning your study abroad experience. Based on your form, you will be assigned one of three assignments:*

- 1) A journal recording experiences and cross-cultural exchanges. For semester to year-long study abroad experiences, this will be a weekly journal. For any length shorter than a semester study abroad, this will be a daily journal. Entries should be 300-500 words each.*
- 2) A 7-10 page paper that blends independent research and personal experience to answer the prompt, "How do people practice the arts and humanities in the culture(s) in which you were immersed? How did these practices affect your understanding of the arts and humanities? Please offer at least three different specific examples in your response."*

- 1) Where will you study abroad?
- 2) How long will you study abroad?
- 3) During which semester will you study abroad?
- 4) How will you earn credit for this study abroad experience?
- 5) Please list the courses you will take while studying abroad (if applicable).
- 6) Please submit a link to an official description of the study abroad experience (if applicable).
- 7) Please explain how this study abroad experience offers you the opportunity to immerse yourself in the arts and/or humanities of a different culture.
